This contract and agreement is entered into by and between **TexAmericas Center**, hereinafter referred to as "Owner," and **RBIS, LLC**, hereinafter referred to as "Contractor," as follows:

**I.**  
**WORK TO BE DONE**

The Contractor agrees to build, construct, erect and complete in a good and workmanlike manner, using new and unused materials only, and to provide all labor and materials required to do all things necessary for the proper construction and completion of EXPAL USA Sewer Infrastructure Improvements upon the property of owner in accordance with the plans and specifications prepared by MTG Engineers & Surveyors, Inc., dated the 12th day of January, 2017, which are attached hereto as Exhibit "A" and made a part hereof by reference for all purposes, "the Work".

**II.**  
**CONTRACT PRICE**

2.01. As a consideration for this agreement, the Owner agrees to pay to Contractor for the construction of the above identified improvements, the sum of **\$61,840.50**.

2.02. Any changes to the plans and specifications, or work, shall be agreed to in writing only by Change Order executed by Owner and Contractor with an adjustment to the contract price as set forth in the Change Order.

2.03. The Owner shall pay to Contractor, the contract price as follows:

Monthly Draws on percentage of completion. All billings shall be submitted for review by TexAmericas Center Vice President of Operations.

2.04. Notwithstanding the payment provisions set forth in paragraph 2.03, Owner shall retain 5 percent (5%) of the contract price for a period of thirty-one days after full completion of the contract, or until all lien claims have been resolved.

**III.  
CONSTRUCTION TIME**

3.01. Contractor agrees to build, construct and complete the above described improvements within 90 calendar days from the date hereof; provided, however, a reasonable allowance shall be made in the event delays occur because of unseasonably bad weather, strikes or inability to obtain materials and supplies over which the Contractor has no control.

3.02. CONTRACTOR and OWNER recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the times specified herein, plus any extensions thereof allowed. The parties also recognize the delays, expense, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof, OWNER and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty), CONTRACTOR shall pay OWNER \$500.00 for each day that expires after the time specified for Completion until the Work is complete.

**IV.

**X.  
ASSIGNMENT**

Part of the consideration and inducement offered to Owner for the execution of this agreement is the personal character, reputation, integrity, experience and ability of Contractor. For this reason, this contract may not be assigned by Contractor. In the event of death, or other disability, which prevents Contractor from personally managing, and participating in, Contractor's performance under this agreement, the Contractor, his personal representatives and successors shall not enter into any new subcontracts or continue construction without the written consent of Owner. As soon as practically possible after the occurrence of such a disabling event, Owner and Contractor, or Contractor's personal representatives or successors, shall meet to determine the action needed to complete construction.
